DAVID S. SPENCE  
EXECUTIVE VICE CHANCELLOR  
CHIEF ACADEMIC OFFICER

Code: AA-2002-28  
May 23, 2002

**To:** CSU Provosts/Vice Presidents for Academic Affairs  
**From:** David S. Spence *David S.*  
**Subject:** **Completion of Remediation at California Community Colleges**

It is the Trustees' expectation that first-time freshmen who enter CSU will complete their remediation and demonstrate proficiency by the end of the first academic year of enrollment. Therefore, students who do not demonstrate proficiency in English and mathematics should be encouraged to enroll in appropriate remedial programs during the summer preceding their first academic year in order to acquire the required proficiency as quickly as possible.

Students who enroll in a CSU campus away from home may prefer to complete their remediation at a local community college the summer before fall matriculation. In order to help campuses advise students about appropriate community college courses that will satisfy remediation objectives, CSU is preparing a list of California Community College remedial courses accepted by CSU.

One campus developed a list to be used in advising its students, and we would like to use this as a model for a comprehensive list that can be used statewide. We are asking each CSU campus to review the developmental English and mathematics courses offered at their respective local community colleges and to provide suggested updates to the attached draft.

Please provide your campus' suggested updates by July 1, 2002 to Allison G. Jones, Assistant Vice Chancellor, Academic Affairs, Student Academic Support. If you have questions about CSU's remediation policy or this request, Mr. Jones may be reached by telephone at (562) 951-4744 or by e-mail at [ajones@calstate.edu](mailto:ajones@calstate.edu).

Vice Presidents for Student Affairs

## DRAFT

CALIFORNIA COMMUNITY COLLEGE REMEDIAL COURSES\*  
ACCEPTED BY CALIFORNIA STATE UNIVERSITY

NOTE: The course(s) must be completed with a grade of "C" or higher. A grade of "CR" is acceptable if the community college grading system defines "CR" as a grade of "C or better."
