

SI, SE PUEDE

Four Latina recent
Math Ph.D's
share their journeys

Join four Latina recent Ph.D's to celebrate their accomplishments and learn how they made it through graduate school and the world of mathematics. You will learn about their "Do's and Don'ts" while traveling through the academic pipeline and some great ways in which they use mathematics for real-world applications!

When: Wednesday, April 8 2015

Where: El Dorado Hall 110
