

# *Graduate Mathematics Seminar*

Introduction to the Literature Review Essay for Mathematics  
Graduate Students

**Dr. Sohui Lee**

*California State University, Channel Islands*

**Abstract:** This presentation is led by Dr. Sohui Lee, the Faculty Director and Associate Professor of the Writing & Multiliteracy Center. It introduces graduate students in Mathematics to the genre of the literature review, types of literature review that appear in mathematics journals, how it is typically organized, and an overview of a sample introduction. At the end of the presentation, Dr. Lee will answer questions and provide final tips for writing the literature review at the graduate level.

*When:* Monday, February 8, 2021, 6:00 – 7:00 pm

*Where:* Zoom
