Computational Biology: Student International Research Experience

Dr. Tatiana Tatarinova

*Fletcher Jones Endowed Chair in Computational Biology,
University of La Verne*

Abstract:

In January 2018, a group of ten students from the University of La Verne visited the International Rice Research Institute. Why did they go to the Philippines? What did they learn? Are they going to go again to similar trips? What is the optimal composition of the team? We will discuss how to arrange such trips so they are educational and fun.

When: Monday, March 5, 2018, 4:30-5:20 pm

Where: CSUCI, Del Norte Hall 1530

One University Drive, Camarillo, California 93012-8599 Tel: (805) 437-8967 Fax: (805) 437-8864 www.csuci.edu
